

How Do I Really See Myself?

Lesson #2

Welcome to Lesson #2 of *Longing for More Than the World's Reflection!* This lesson has two components:

1. List of the Signs and Symptoms of a Broken Identity

A broken identity can be at the root of many of our personal struggles. And often, we don't even realize it. We even think we know full well who we are and are confident in that. Yet, when we are not grounded in the ever-steady reflection of Christ, the unpredictable and often broken and angry reflection of the world is the one that manages the way we interact with the world around us. This is not an exhaustive list nor is it a diagnostic tool. It is merely a list of ways that a broken identity can effect our lives and a tool to help you begin processing through the possibilities.

2. An interactive online quiz that will help you recognize how you *really* see yourself. You will find out where your Identity Factor (IF) falls along the pendulum of self-worth and insecurity.

As you read, pray, and take this quiz, I pray God reveals things to you that you may have never realized before. I pray He places in your heart the desire and longing for more. And then I pray He convicts your soul with the truth that there really *is* more and that you, too, will walk in that victory.

As always, I'd love to hear from you as you make your way through each lesson. I'd love to hear your thoughts, your questions, and be given the opportunity to pray for you.

Blessings and smiles,

Lori
