

5 TRUTHS FOR OVERCOMING HURT WHEN LIFE ISN'T FAIR

1. Know who God says I am. I am a child of the King and not a product of betrayal. My identity is in Him.
2. Unconditionally accept that betrayal is an inevitable part of life, but because I am a child of God, I will be okay no matter what.
3. Abide in Him. The world may say they do or do not love me, but in the shadow of God's wings I am always met by His unfailing love.
4. Live bravely. God designed me uniquely to live out a purpose. While pursuing that purpose, I must heed His warnings, drawing needed boundaries. But also, feel and obey His nudge to passionately invest in the lives of those He places before me.
5. Pray for my betrayer.
