

A PRAYER TO KNOW GOD'S UNCONDITIONAL LOVE

Heavenly Father,

You are love. Your love is a vastness beyond our comprehension, but yet I look away from it and to the people and things in my life to fulfill the deepest longings of my heart and to fulfill my worth. Lord, please forgive me. Make me aware of Your majesty. May my eyes be filled with the wonder of You and my heart be filled with the unconditional delight of Your love. Lord, I ask You to surround me with Your hedge of protection and fill me with wisdom and discernment so that I recognize lies and can replace them with the truth. Lord, may Your Word be instilled within the deepest crevices of my mind, my heart, and my soul now and forever. In Your precious and holy name, I pray — the name of Jesus.

Amen
